

# Algiers 40-foot folding container

## Overview

---

Where can I buy used 40ft shipping containers?

Buy Used 40ft Shipping Containers at a lower cost for your storage needs at Shipping Container Depot. These high-quality, robust, slightly used containers are perfect for storing bulky objects that wouldn't fit a 20ft shipping container or a 20ft HC container.

How much cargo can a 40ft container hold?

Compared to a 20ft shipping container, a 40ft container can pack a whopping 2.53 m of cargo for every ton of weight. Meaning, a 40' container can hold up to approximately 26.76 tons of cargo. 40ft units can be used for commercial, residential, and shipping industry applications.

What is a 40ft storage container?

40ft storage containers are the perfect way to transport large items or large quantities of items. They are made of durable corrugated steel and have a high-security lock box to protect your belongings. They also have two-way forklift pockets, so you can easily move them around.

What is a 40ft double door container?

The 40ft double-door container is the perfect option for those looking for easy access to their storage. With doors on both sides, one can easily get to the storage. The 40ft Refrigerated Containers are ideal for storing and transporting sensitive materials that need to be kept at low temperatures and low humidity levels.
