Bulgaria is a UPS company

Overview

Why should you choose ups for Bulgaria?

As an authorized service contractor for UPS for Bulgaria, In Time also offers international services with a high standard of quality. The wide range of value-added services for the customer is constantly updated. The daily flight to and from Sofia provides regular transportation of shipments departing from Bulgaria to UPS distribution centers.

How does ups transport shipments from Bulgaria?

The daily flight to and from Sofia provides regular transportation of shipments departing from Bulgaria to UPS distribution centers. After the necessary processing and in just a few hours, they are redirected and taken to destinations around the world. In addition to express deliveries, UPS also provides daily land transport to and from the EU.

How do I contact UPS customer support?

You can email customer support as well. Please note: it may take several days before we're able to respond to your request. Get answers to all your questions using our virtual assistant or calling the UPS support line, whichever is best suited for your issue.

How does ups work?

With the help of over 266 owned aircrafts and over 316 charters and 540,000 employees UPS ensures that your personal and business shipments – letters, samples, catalogs, spare parts, appliances and equipment, books and more will reach their receivers in over 220 countries and territories around the world.
