

# **Energy storage container transport in Somaliland**

## Overview

---

How is cargo transported in Somalia?

Inland haulage in Somali is performed on merchant basis only - Maersk is not involved in this activity. All import containers are stripped in the terminal, and export containers are stuffed in the terminal. The majority of cargo moves to and from the port on local flat bed trucks arranged by the party to the shipment in Somalia.

Where can I find information about shipping to and from Somalia?

Your complete guide to shipping to and from Somalia. Find the right route, get Maersk office locations, discover local solutions, payment options and more. OGF Building, Berbera Street No.1, Nr. Berbera port, Somaliland Get up-to-data local information about holiday periods, charges, payment services, procedures and restrictions, and more.

How does cargo move from Somalia to Ethiopia?

All import containers are stripped in the terminal, and export containers are stuffed in the terminal. The majority of cargo moves to and from the port on local flat bed trucks arranged by the party to the shipment in Somalia. It is also possible to move cargo, but not containers, across the Somalia and Ethiopia borders.
