What is the official source for Ethiopia government procurement?

The official source for Ethiopia government procurement is the Electronic Government Procurement (eGP) platform. It is managed by the Public Procurement and Property Administration Agency (PPPA) and provides access to tender notices, procurement information, and registration services for suppliers.

How does the tenders process work in Ethiopia?

GlobalTenders aggregates tenders from official Ethiopian authorities and agencies websites, newspapers, journals, and magazines. Using artificial intelligence and machine learning, the data is authenticated, segregated, and reorganized to make thousands of Ethiopia tenders easily searchable on a single platform. To bid on Ethiopia tenders:.

Who can bid on Ethiopia tenders?

All companies and individuals who are capable of fulfilling the requirements can potentially bid on Ethiopia tenders. There might be additional restrictions based on domicile, experience, and qualifications depending on the project's nature and complexity. Ethiopia tenders procure various products and services.

How much is the Ethiopian tender market worth?

The Ethiopian tender market is estimated to be worth around \$9 billion per year. The PPPA expects to expand the scope of the eGP platform to cover up to 80% of all government procurements within the next five years. Bidding for tenders in Ethiopia is extremely lucrative for companies of all sizes.
