

High quality power switchgear in Kazakhstan

Overview

How can CNC electric contribute to the development of Kazakhstan's electrical networks?

Nurbolat Seidaliev, Head of CNC Electric's official representative office in Kazakhstan, invites collaboration and emphasizes: "One of our goals is to contribute to the successful implementation of national programs aimed at developing Kazakhstan's electrical networks through high-quality technological solutions.

Who is Almaty Electromechanical Plant?

"Almaty Electromechanical plant" ("AEMP") was founded in 1959. In 1999, the company acquired the status of LLP "Almaty Electromechanical plant" and became a part of the holding company "Alageum Electric". Today "AEMP" is one of the leading enterprises on production of the electrotechnical equipment in the Republic of Kazakhstan.

What is the quality management system of Almaty Electromechanical Plant?

All products are certified by the State standard of the Republic of Kazakhstan, the state certification system of the Russian Federation №ROSS KZ.ME22. The quality management system complies with the international standard ISO 9001-2000. "Almaty Electromechanical plant" ("AEMP") was founded in 1959.

Does Almaty Electromechanical Plant comply with ISO 9001-2000?

The quality management system complies with the international standard ISO 9001-2000. "Almaty Electromechanical plant" ("AEMP") was founded in 1959. In 1999, the company acquired the status of LLP "Almaty Electromechanical plant" and became a part of the holding company "Alageum Electric".

High quality power switchgear in Kazakhstan

Electric machine industry

"AEMP" manufactures unitized transformer substations, packaged switchgear, serial unilateral camera, panels LP-70, LP-90, of various ...

[Siemens to localize production of switchgears in Kazakhstan](#)

Nov 1, 2025 · ALMATY. June 21 (Interfax-Kazakhstan) - KazEnergoPower LLP and Siemens AG have inked an agreement on the localization of the production of medium-voltage switchgears ...

Kazakhstan CB Electric Group Ltd. specializes in the production of complete sets of switchgear such as oil-immersed transformers of 110kV and below, epoxy-cast dry-type transformers of ...

Powerexpo

2 days ago · Nurbolat Seidaliev, Head of CNC Electric's official representative office in Kazakhstan, invites collaboration and emphasizes: "One of our goals is to contribute to the ...

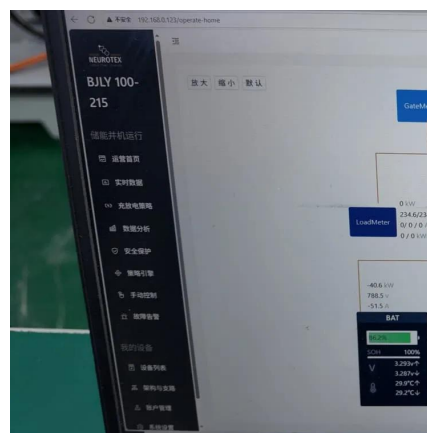

[Catalog of electrical equipment and products by ...](#)

Catalog of block-modular buildings, transformer substations, relay protection cabinets, and complete switchgear. Over 10 years of experience and more than 2,000 completed projects in ...

[Kazakhstan Switchgear and Switchboard Apparatus Market](#)

In Kazakhstan, the switchgear and switchboard apparatus industry is dominated by several key players who drive innovation and set high standards in the market. Leading companies include ...

Electric machine industry

"AEMP" manufactures unitized transformer substations, packaged switchgear, serial unilateral camera, panels LP-70, LP-90, of various types and performance, power distribution cabinets, ...

[Tavrida Electric electrotechnical plant.](#)

Electrotechnical plant «Tavrida Electric» Located in the heart of Kazakhstan, the plant offers leading technologies in the metal-clad switchgear production of Etalon series.

[High-voltage switchgear , Buy high-voltage switchgear B2B ...](#)

Buy high-voltage switchgear. Low prices for electrical equipment. Order high-voltage switchgear now. Delivery electric devices, switchboards and fittings to all regions Kazakhstan Allbiz

[Buy electrical equipment and products from KazElectroSnab ...](#)

Production of block-modular buildings, transformer substations, relay protection cabinets, and complete switchgear at affordable prices. Quality guarantees, technical support, and a wide ...

Switchgear

Switchgear Our switches are used in locations made hazardous due to the, presence of flammable gasses or vapors or ignitable dusts, fibers and flyings. As well outdoors or indoors ...
