Large Capacity Folding Containers for the Catering Industry

Overview

What makes heavy-duty folding crates unique?

They are unique thanks to their effortless folding design, which saves space and makes transportation easier. These containers are German-manufactured from quality high-density polyethylene (HDPE), a tough plastic material that endures large weights and rough handling. Explore our various types of heavy-duty folding crates and accessories.

What is a heavy-duty Euro collapsible container?

With a collapsible shape, our heavy-duty Euro collapsible containers offer a space-saving storage and transit option. Our 35-litre folding store box's shallow depth makes it perfect for stacking takeaway meal trays or transporting fresh ingredients.

What is a transport trolley for 600x400mm containers?

This industrial-grade Transport Trolley For 600x400mm Containers assures safe and effective movement of your stackable storage containers. These standard trolleys are best for light to medium loads in areas with clear pathways. They are ideal for carrying lightweight orders in pick-and-pack operations or restocking shelves in retail stores.

What crates does caterbox offer?

Caterbox offers high-quality folding crates designed to withstand the meticulous demands of catering, event hire, hospitality and distribution industries.
