

Micro circuit breaker factory in Canada

Overview

Who is Canada Breakers?

Canada Breakers is a family run, Canadian-owned and operated business providing factory new, new surplus and used circuit breakers across several brands.

What is a miniature circuit breaker?

Miniature Circuit Breakers (MCBs) are essential electrical safety devices designed to protect circuits from overloads and short circuits. Unlike traditional fuses, MCBs automatically trip when excessive current is detected, preventing electrical hazards and damage to wiring.

What is a square d nf circuit breaker?

Square D™ E-Frame Circuit Breakers Lighting Panelboard Circuit Breakers from Square D™ by Schneider Electric™ provide a wide variety of robust features for use in Square D NF panelboards. With current ratings from 15 to 125 Amps, and included VISI-TRIP feature, these circuit breakers are proven effective and reliable.

What is a Stab-Lok miniature circuit breaker?

Stab-lok miniature circuit breakers are quickly identifiable with easy-to-read color-coded handles to help differentiate ampere ratings. Need help?

Quickly and easily find the right products and accessories for your applications. Start your sales inquiry online and an expert will connect with you.

Micro circuit breaker factory in Canada

Made In Canada , ABB Electrification Canada

Made in Canada ABB's Installation Products division, formerly known as Thomas & Betts, operates seven manufacturing facilities in Canada, six of them in Quebec and one in Alberta.
