

MODERNIZATION SOLAR

Omega solar inverter for sale in Kuala-Lumpur

Overview

Why should you buy solar inverters wholesale in Malaysia?

In Malaysia, the solar market is growing fast. More businesses and homeowners are turning to solar energy to cut costs and reduce their carbon footprint. This means more opportunities for installers — and more demand for quality equipment at wholesale prices. This guide is for solar installers in Malaysia who want to buy inverters wholesale.

Who is Omega solar?

“Omega Solar is the number 1 solar power company in Vietnam, has installed more than 200 solar power projects with a total capacity of over 8000 kWp.” Omega Solar has a team of experts with over 12 years of experience in designing and installing solar power systems according to European standards.

Why are hybrid inverters becoming popular in Malaysia?

Hybrid inverters are becoming increasingly popular in Malaysia as they provide the flexibility to use solar energy during the day and draw energy from the grid at night or during periods of low solar radiation.
