

MODERNIZATION SOLAR

# Omega solar inverter in China in Laos

## Overview

---

Can China and Laos collaborate on a solar power project?

In what is the first large-scale solar photovoltaic project in Laos, CGN will collaborate with more than 70 Chinese and Laotian enterprises to establish a benchmark for electricity cooperation under the Lancang-Mekong Cooperation framework. The clean energy base is a vital power source supporting China-Laos power interconnection.

Who is Omega solar?

“Omega Solar is the number 1 solar power company in Vietnam, has installed more than 200 solar power projects with a total capacity of over 8000 kWp.” Omega Solar has a team of experts with over 12 years of experience in designing and installing solar power systems according to European standards.

Who is the best solar inverter manufacturer in China?

Senergy is a professional solar inverter manufacturer in China, specialized in ODM service, supply grid tie inverter 2kW to 60kW, and hybrid storage solution. GoodWe is a leading solar inverter manufacturer, recognized as one of the top ten inverter companies in China and globally.

Who makes the best solar inverter?

Ginlong is the top 10 solar inverter manufacturer on the world established in 2005. Ginlong manufactures solar inverters in the direction of Multi MPPTs to help get the most output by optimizing each solar panel area. Ginlong Solis obtained the world's most reliable solar inverter certification for 4 consecutive years 2017, 2018, 2019, 2020.
