Outdoor power bat

Overview

Are IPX4 power bars waterproof?

Indoor & Outdoor The IPX4-rated waterproof power bar is resistant to rain, and water splashes. Water that flows into the sockets will flow out through the drainage holes on the back. This means that the power strips will keep working in places like kitchens, bathrooms, porches, and the outdoors.

What is the warranty on a Mosquito Killer bat?

24 ENERGY Heavy Duty Mosquito Killer Bat + LED Torch Light 100% Replacement Warranty Racket Electric Insect Killer Indoor, Outdoor (Bat) The product comes with a 90-day warranty against manufacturing defects, valid from the date of delivery.

Can a power bar withstand rain?

The power bar can withstand rain and water flow, but do not completely immerse the product in water. When water flows into the socket, there is a drain hole on the back of the power board to drain the water. Please make sure that there is no water inside the power board before turning on the power.
