

# Portable power OEM factory in Ireland

## Overview

---

What is the best portable power station in Ireland?

“The EcoFlow Delta is the best portable power station for emergency backup power or for off-grid activities such as camping. ” “Unlike many traditional power stations, the EcoFlow RIVER supports fast charging from 0-80% in 1 hour.” Buy portable power stations and solar panels in Ireland. Fast delivery, expert advice, and Irish-based support.

What types of generators do Robert Kee power equipment stock?

At Robert Kee Power Equipment, we stock a wide variety of generators suitable for both domestic and industrial use. Our Honda Powered Generators feature engines such as the GX200 and the powerful GX390 giving up to 6kW and 13hp generator power.

What is a portable power station?

Our portable power stations offer multiple charging options — from mains power to solar panels, car 12V outlets, and more — giving you the freedom to power your life wherever you go. Each unit features a built-in battery, inverter, MPPT controller, and smart technology in one compact, plug-and-play system.

Who is IPOWER?

iPower was founded in 2018 by Paul Hughes. Paul is a time-served industrial electrician and a generator, industrial electrical and control automation specialist. He embodies the ‘can-do’ ethos of iPower; there is no technical challenge that we as an organisation cannot overcome.
