

Solar container battery Industry Exhibition

Overview

When is China International battery industry Expo 2025?

China International Battery Industry Expo 2025 (IBIE) will take place from October 10–12, 2025, at the Shenzhen Convention & Exhibition Center, organized by the China Battery Industry Association.

When is SNEC Energy Storage & Battery Expo 2025?

SNEC Energy Storage & Battery Expo 2025 will take place at the Shanghai New International Expo Center (SNIEC) from October 10 to 12. The event spans over 60,000 square meters and is expected to attract more than 500 leading exhibitors and 50,000+ professional visitors from around the globe.

What can you expect at a battery & energy storage exhibition?

Covering 30,000 sqm, the exhibition will feature top manufacturers, suppliers, and service providers from across the battery and energy storage sectors. Attendees include professionals from electric vehicle, energy storage, and consumer electronics industries, along with government representatives and investors.

What is the PV exhibition area & energy storage area?

The PV exhibition area includes silicon materials and wafers, cells and modules, inverters, mounting systems, and PV application products, while the energy storage area covers battery materials, cells and modules, storage system integration, BMS/PCS, charging stations, and smart energy management systems.
