Overview

What is KSS & container Kings Thailand?

KSS and Container Kings Thailand work together to manufacture, install and rent various container and modular buildings. Modular Building Or Converted Container, What's The Difference?

Modular units are slightly different from container units as they are normally made from a steel framework and ISO Sandwich Panel Walls.

What is a container home?

Container Homes, also known as ISO Container Homes, can be created out of any type of shipping containers to make multiple units or single houses at relatively low prices compared to constructing a new building. We specialise in converting Containers into a number of different applications from single houses to large multi container complexes.

What is a storage container house?

Once considered undesirable housing units for those who simply couldn't afford the traditional brick and mortar option, storage container houses have become the hot new trend. Container homes can be arranged in almost any combination and can also incorporate swimming pools, saunas and games areas.

What is a converted shipping container?

Converted Shipping Containers Shipping Containers are an ideal solution for low cost housing or storage, they are easy to transport and maneuver as well as in ideal green solution as they are a recycled item.
