

The terminal device communicates directly with the base station

The terminal device communicates directly with the base station

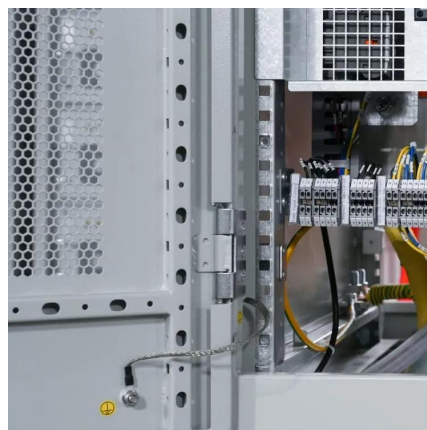

DATA TRANSMISSION METHOD. COMMUNICATION ...

Jul 5, 2023 · [0024] In the embodiments of the present invention, a base station (base station, BS for short) may be a device communicating with a terminal (terminal) or another ...

Communication method, base station, and terminal device

TL;DR: In this article, the authors proposed a communication method, a base station, and a terminal device, which includes: transmitting signals to a terminal devices by using n port ...

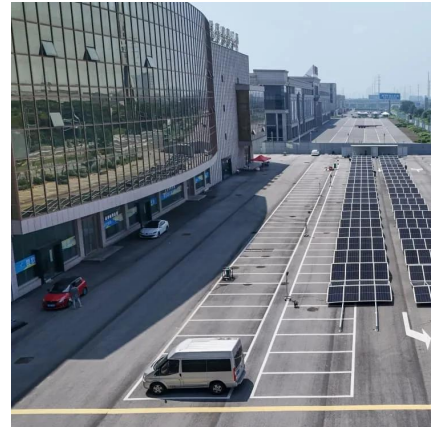

WO/2025/099983 TERMINAL DEVICE. BASE STATION DEVICE...

May 15, 2025 · This terminal device communicates with a base station device via a relay terminal device. The terminal device has an RRC entity. The RRC entity receives an instruction to ...

WO/2025/253441 BASE STATION DEVICE, TERMINAL DEVICE...

Mar 6, 2024 · A wireless communication system according to the present invention comprises a base station device and a terminal device that wirelessly communicates with the base station ...

The base station device and the terminal device

While preventing an increase in the overhead of the uplink control channel, the base station apparatus and the terminal apparatus for realizing flexible retransmission control. The base ...

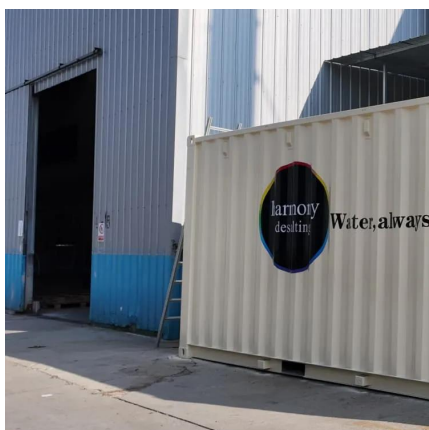

Base station device, terminal device, and wireless ...

A base station device (10) communicates between a first terminal device and a second terminal device over the same channel by spatial multiplexing. The base station device (10) comprises ...

Terminal Device Base Station And Communication Method

Abstract: [Problem] To provide a terminal device that can communicate efficiently in a communication system in which a base station device and a terminal device communicate with ...

Communication Method, Base Station, and Terminal Device

The embodiment of the invention provides a communication method, a base station and a terminal device. The communication method comprises the steps that the base station sends ...

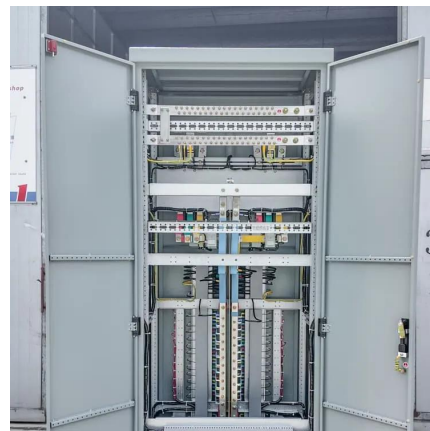

20230066628 TERMINAL DEVICE, BASE STATION DEVICE, ...

A terminal device that communicates with a base station device, the terminal device including: a reception unit that receives a data channel including one or more pieces of data; and a ...

WO/2019/098148 TERMINAL DEVICE, BASE STATION DEVICE...

The purpose of the present invention is to provide technology for a terminal device, a method, and an integrated circuit for performing efficient communication between a base station device and ...
