

Which type of battery exchange cabinet has more stations in Bucharest

Overview

Where are e-mobility rentals battery exchange stations located?

The new battery exchange stations will be installed in the car parks of ten Kaufland shops in Constanța, Cluj-Napoca, Iași, Brașov, and Timișoara by the end of the year. However, the e-Mobility Rentals stations are not large, garage-like swap stations, like Nios Power Swap Stations. That is because e-Mobility Rentals uses small electric vehicles.

Where are the new battery exchange stations being installed?

So far, however, the service has been limited to the capital, but is now expanding to other cities. The new battery exchange stations will be installed in the car parks of ten Kaufland shops in Constanța, Cluj-Napoca, Iași, Brașov, and Timișoara by the end of the year.

How many charging stations does Kaufland Romania have?

The startup currently operates twelve stations, all located in Bucharest and Constanța. "After launching the first national network of charging stations for electric cars in 2016, Kaufland Romania continues the series of partnerships for more sustainability.

Does Kaufland sell EV batteries in Romania?

romania-insider.com, automotive-today.ro, kaufland.ro Supermarket chain Kaufland will install battery exchange stations for electric vehicles at ten of its shops in Romania by the end of the year. However, this is not about large EV batteries, but about small electric vehicles - with Kaufland's own delivery service in mind.
