# Which uninterruptible power supply is cheap in Niger

## Overview

---

What is uninterruptible power supply?

Uninterruptible Power Supply protects your electricals from the adverse effects of brownouts, spikes and power outages. An uninterruptible power source or uninterruptible power supply is a power supply system responsible for providing emergency load in case of power failures.

What is a ups power supply & how does it work?

Our UPS power supply provides protection from power surges, load shedding and unpredictable weather conditions. Uninterruptible Power Supply (UPS) ensures its internal battery gets constantly charged from the main electrical grid supply and delivers a steady, consistent electricity flow to any equipment or appliance plugged into it.

What are afriipower inverters & tubular batteries?

Afriipower Inverters and tubular Batteries are Nigeria's most preferred brand of products in the business of uninterrupted Power Supply. Our Products have helped Nigerian masses to drastically bring down the usage of Generators and fossil fuels like diesel and Petrol.
