# Windhoek Solar Water Pump

## Overview

---

What is a solar water pump system?

Solar water pump systems can easily supply water for your livestock, drinking water, and irrigation, among other residential needs, with these solar pumping systems. Solar home systems (SHS) are self-contained photovoltaic systems that provide remote off-grid households with amenity power for lighting and appliances at a low cost.

Who is NEC energy & water & pumps?

NEC (Pty) Ltd is a leading provider of energy and pumping solutions, dedicated to delivering excellence in service and innovation. The NEC Group embarked on a restructure of its operating entities, and we are proudly introducing NEC Energy and NEC Water & Pumps as our core operating entities.

Where can I find a solar installer in South Africa?

With warehouses in Johannesburg, Cape Town, and Windhoek, Cedar Solar supports a strong Southern African network of solar installers. Our expert partners are based near you to provide local advice, fast support, and professional service. Over 30,000 farmers trust Cedar Solar for their daily water needs.

Who installs veichi drives & solar systems?

We install Veichi drives up to 400kW and solar systems from 50kW to 500kW, delivering turnkey solutions with expert precision. For over 15 years, Cedar Pumps® has delivered trusted water pumping solutions across Southern Africa.
